**Chester,

**Reach for the golden rings. Reach for the sky.
Just spread your wings and begin to fly.
That's what dreams are made of.**

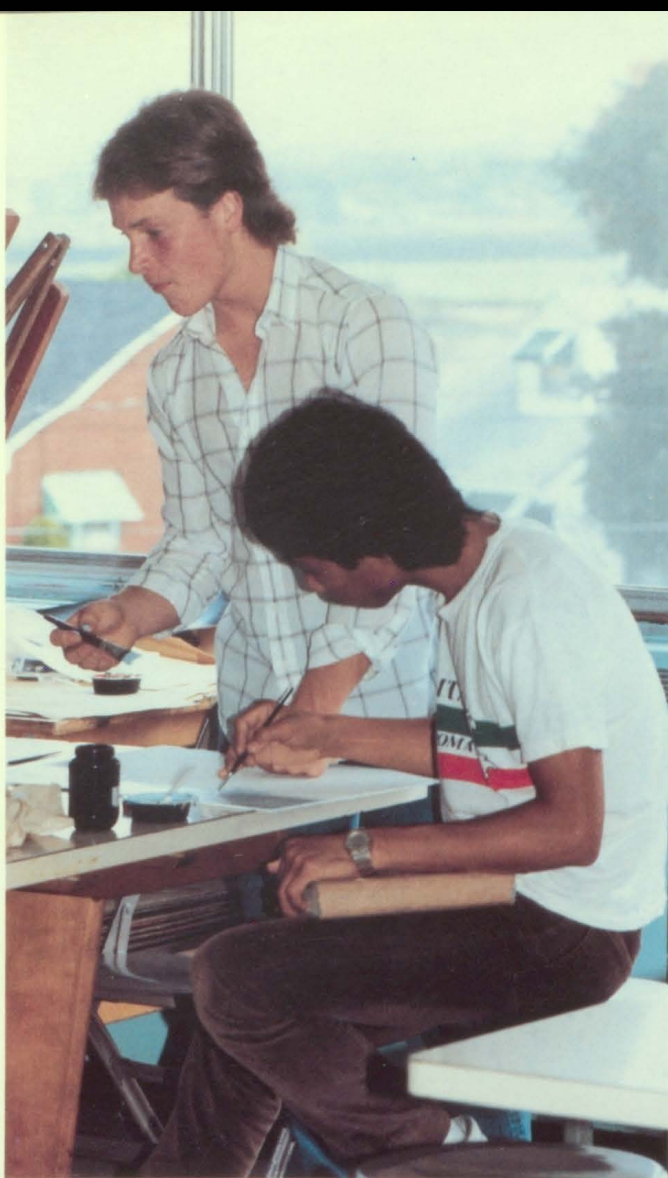

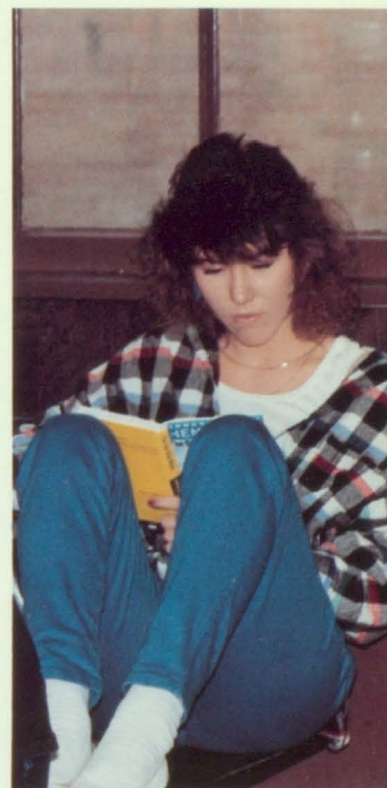

**We just sit around
talking about the old times.**

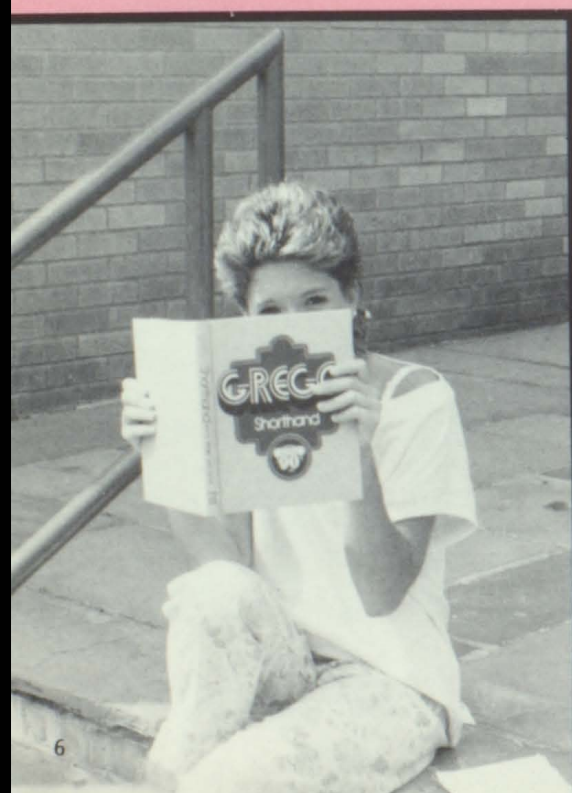

**When we feel like crying,
we start laughing,
thinking about the glory days.**

Remember the days as they really were, each one different with its own special memories.

**We will do foolish things,
but do them with enthusiasm.**

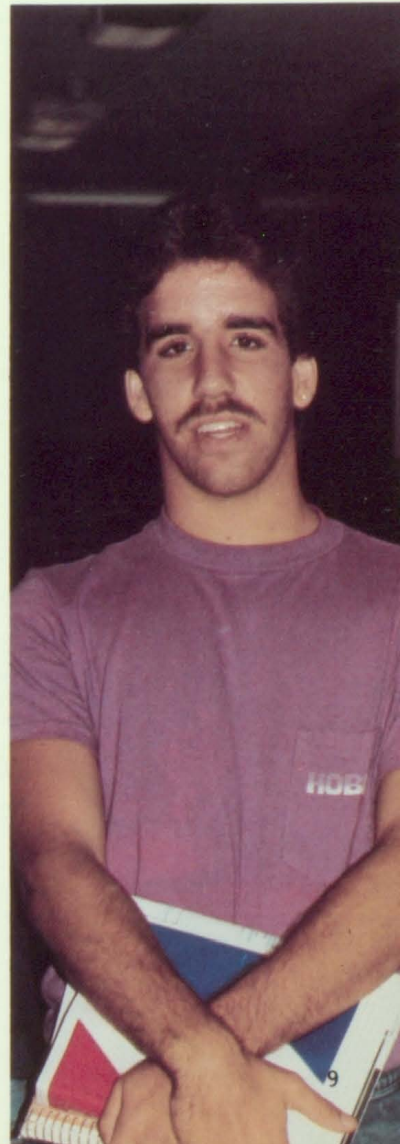

**Don't be afraid to let
your true colors show.**

**Keep smiling, knowing you can always
count on me, for sure - that's what
friends are for.**

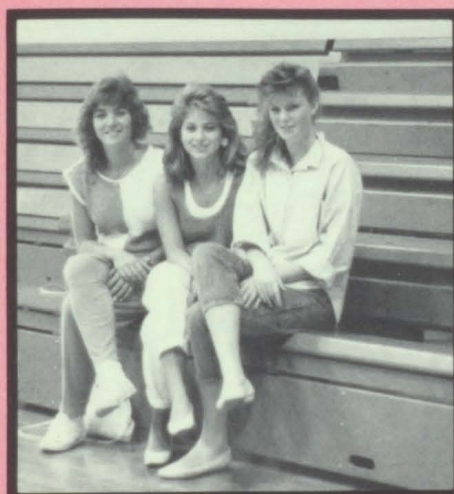

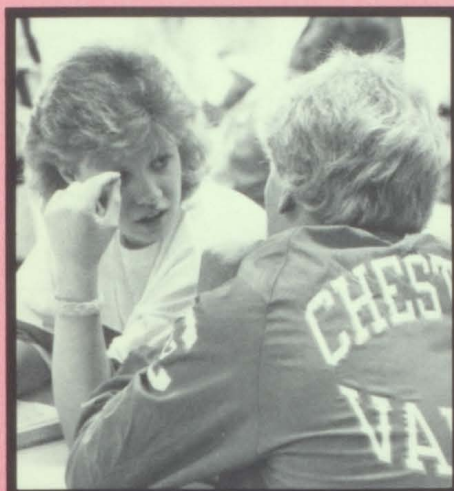

**If we fail, if we succeed,
at least we know what we believe.**

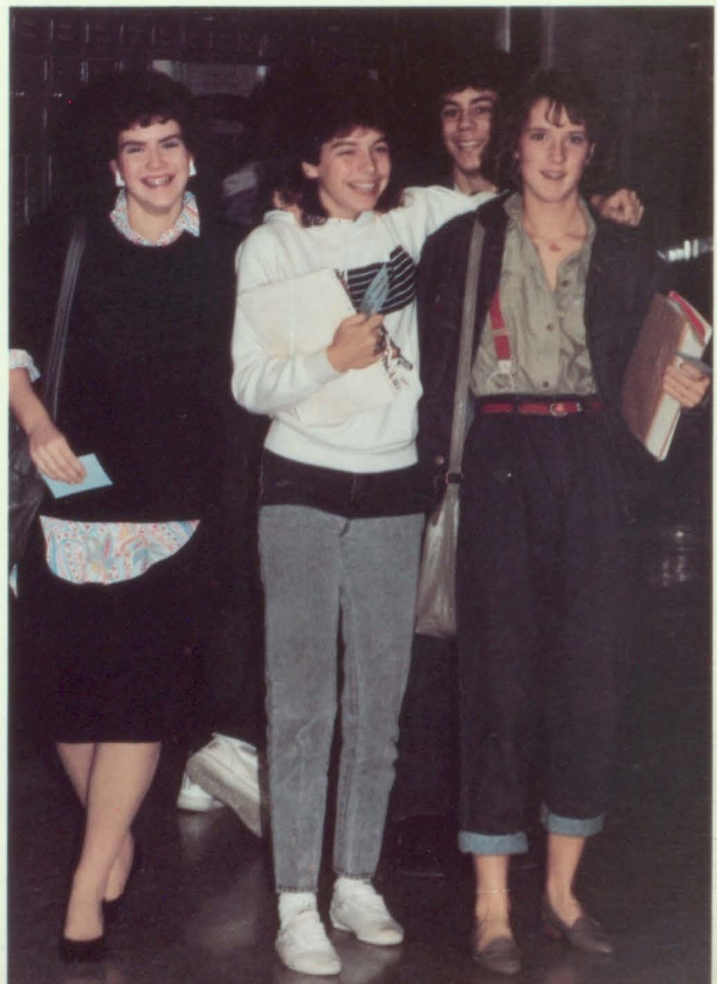

**Yes it's true. I'm happy to be
stuck with you.**

**Reflect on times spent together
for they shall always remain with us.
They cannot be erased or taken away.**

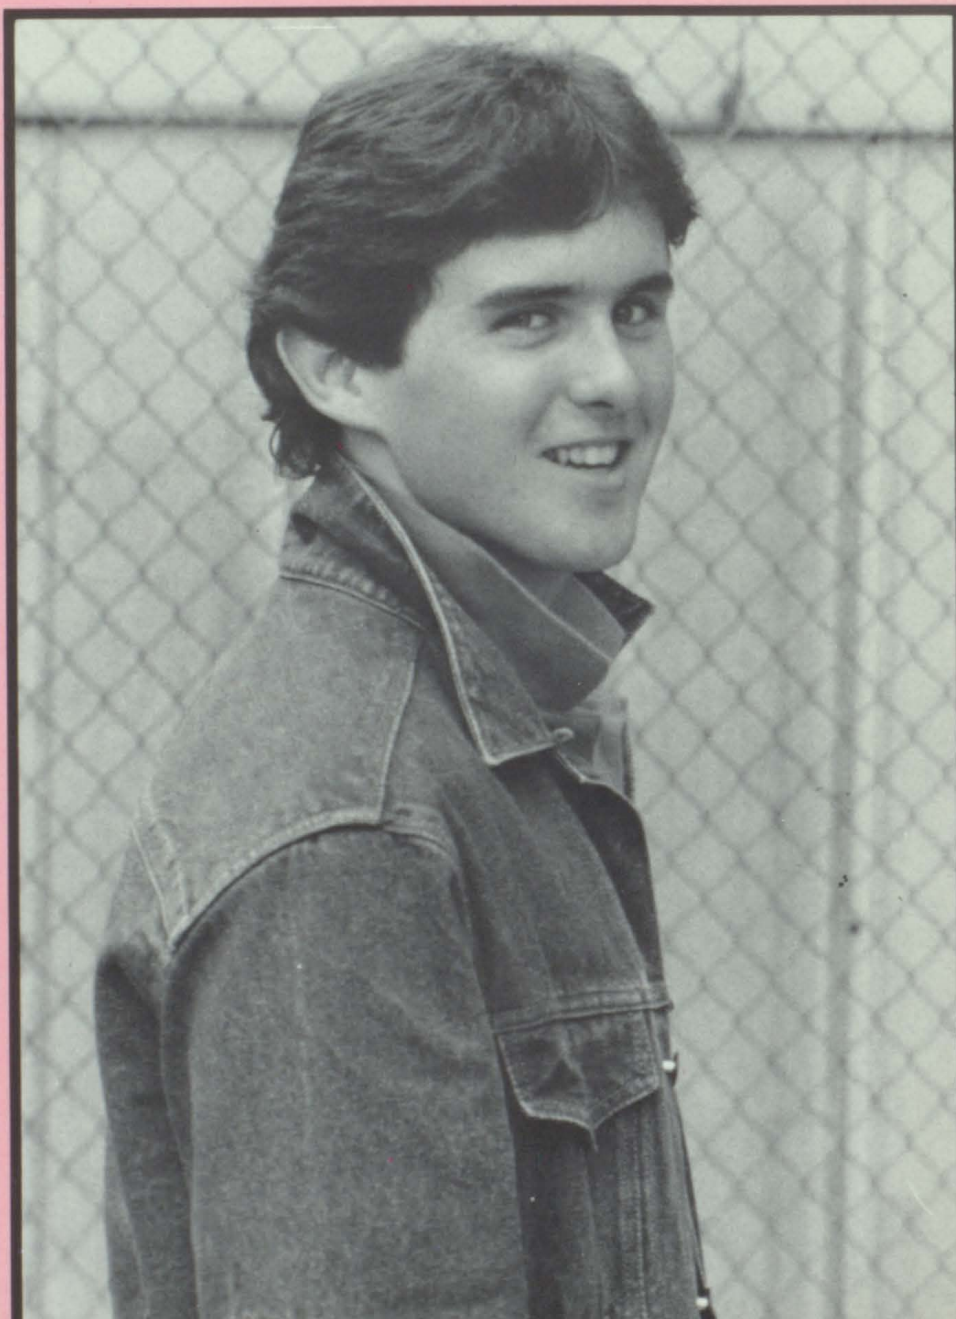

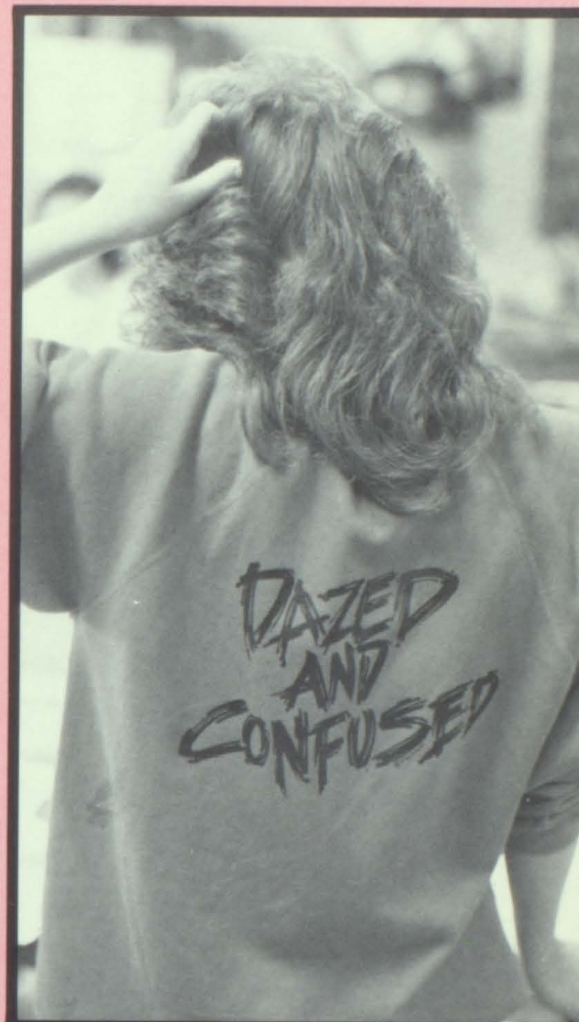

**Far away there in the sunshine
are our highest aspirations.
We may not reach them,
but we can look up
and see their beauty,
believe in them,
and try to follow where they lead.**

**Cherish yesterday.
Dream tomorrow.
Live today.**

Isn't it funny how time flies, but the best is yet to come
